Sweet, Green Dreams: The Look for Less

February 23, 2008

If you are still using your hand-me down pillow from college it might be time to buy a new one. Here is a pillow that will help you rest easy on a clean, green conscious. And it will ease your aching wallet too. This new, eco-friendly pillow from Hollander Home Fashions is filled exclusively with post-consumer recycled, green soda bottles. An un-bleached, non-dyed, soft-to-the-touch cotton shell goes around it all. **Buy it:** The Natural Elements pillow is currently available at Marshalls, TJ Maxx and Home Goods with suggested retail prices ranging from \$9.99 - \$19.99.
